

Sent on behalf of The SEND Oldham Partnership

To Parents, Carers and Young People

Dear Parents, Carers and Young People

We would like to invite you to our SEND in Oldham improvement journey session on Thursday 11 July 2019.

The aim of the session is to give you an update of what we have accomplished over the last 18 months and how you can help us drive our development plan forward.

As parents, carers and young people it is extremely important that we get your views about the services we deliver in Oldham for children and young people with special educational needs and how we can improve them.

It's important that we share our draft Inclusion Strategy for you to help us shape for the future of services in Oldham.

Representatives from Oldham Council, NHS Oldham Clinical Commissioning Group, parent carer forum POINT and schools will be in attendance.

We're running two sessions throughout the day (12noon – 1.30pm and 6 – 7.30pm), which we'd love you to attend one of them.

Free refreshments and parking (access via West Street barrier) is available.

If you are unable to attend the event but still want to give your views, you can email internal.comms@oldham.gov.uk.

Please register your attendance by Wednesday 10 July by clicking on the link on your school website – www.blackshaw-lane.oldham.sch.uk – you will find the link under Parental Information on the SEND page.

We look forward to seeing you there.

Kind regards

The SEND Oldham Partnership

P.S. If you haven't reviewed the online [Local Offer](#) recently, we'd recommend it to you. The Local Offer is an easily accessible, one-stop hub of information that details guidance and support for children and young people with SEND and their families.
